Dr. A. G. Browning met with quite a painful accident in Third street, near the Central Presbyterian Church, Monday night at 7 o'clock. While attempting to cross on some planks laid over the curbstone his foot caught in some manner and he fell to the ground, sustaining several bruises and a sprained hand. He was pretty well shaken up, but not seriously hurt.

The character which Anna Day portrays in "When Knighthood Was in Flower"—that of the madcap Mary Tudor—is absolutely historical, though a statement to the contrary has been made since the play was brought out. Nearly four centuries ago "Princess Mary" was a very real and decidedly alive young person, whose beauty and temper were common objects of adoration, as well as awe on the part of all Englishmen, of both high and low degree. To see Miss Day in the part is to witness a most beautiful and wonderfully convincing vivifying of this long dead and almost forgotten willful, but lovable girl.

He was a member of Wyandotte Tribe, I. O. R. M.

The funeral will take place Friday morning at 10 o'clock from the residence.

Maysville Attorneys Employed in Suit Filed in Federal Court

A suit of great importance to railroad employes has been filed by R. G. Ruark of Portsmouth, through his Attorneys, Messrs. A. B. and A. D. Cole of this city, in the Federal Court at Catlettsburg, for \$25,000 damages against the Norfolk and Western Railway Company.

Mr. Ruark on the 24th day of August, 1906, had his arm cut off through the negligence of a fellow servant, and he is the first to avail himself of the recent act of Congress for the protection of railroad employes, in the passage of which President Roosevelt took such deep interest.

The N. and W. claims that the act is unconstitutional and, it is said, has instructed its Attorneys, in the event of an adverse decision, to carry the case to the United States Supreme Court.

MAYOR EUGENE SCHMITZ of San Francisco, who must answer to five indictments for black-mailing saloon keepers, is a product of the Labor Union element peculiar to that very peculiar city. There's none like it elsewhere in the United States.

IN spite of BRYAN's indorsement of the unspeakable HEARST, there are yet a few persons who think "the peerless leader"—with lower-case letters, mind you,—will be the Democratic nominee for President in 1908. Well, suppose we make it BRYAN and HEARST?

THE Board of Public Works and the Police of New Albany, Ind., have been trying to stop unnecessary blowing of locomotive whistles in that city, and investigations developed the fact that Engineers had a regular code of private signals, notifying their wives what they wanted for supper or breakfast. For instance, one short blast and one long one was an order for ham and eggs. Judging from the immense amount of whistling done by some of the C. and O. Engineers in this city, they must order up the whole darned menu, with after coffee, cigars and toothpicks on the side.

THE Court of Appeals has just declared unconstitutional the Richardson Act adopted at the General Assembly session of 1904, imposing a tax of 50 cents per barrel and 25 cents per package on rectified liquor or spirits. It would save a good deal of worry and expense if the Court would declare the whole Legislature unconstitutional and be done with it, for about everything it did has been declared illegal when a test has been made.

THE War Department mails are heavy with letters protesting against the discharge without honor of three Companies of the Twenty-fifth Infantry, colored. Most of these originate in Massachusetts, but nearly every section of the country is represented. These men—they're not worthy to be called soldiers—were dismissed in disgrace by President ROOSEVELT because of riotous conduct in a Texas town, and evident collusion to prevent exposure of the guilty ones. The President is exactly right. He demands that everybody shall respect the uniform of Uncle Sam's soldiers and sailors; therefore he requires that soldiers and sailors must themselves so act as to entitle their uniforms to respect.

Why Vinol Is Better Than Any Other Remedy to Restore Health and Strength

Because Vinol is a real Cod Liver Preparation and does not contain a single disagreeable or harmful ingredient and is not a secret formula.
Because Vinol contains all the medicinal elements—the soothing, healing, strengthening and flesh creative properties of Cod Liver Oil—but without oil or grease.
Because everything in Vinol,—except the tonic iron and a fine old wine,—is actually extracted from fresh cods' livers and their oil.
Because Vinol is deliciously palatable and agreeable under all conditions. Everybody likes it.
Because Vinol tones up the system, strengthens every organ, nerve, muscle and fibre of the whole body and thus overcomes weakness by thoroughly eradicating the cause of disease.
That's Why Vinol is altogether different and better than any other remedy for Coughs, Colds, Bronchitis, and all Throat, Lung and Wasting Diseases.
That's Why Vinol Restores Health and Strength to Delicate Children, Feeble Old People, Weak and Sickly Persons, Nursing Mothers, and Convalescents.

THANKFUL THOUGHTS ... FOR ...

THOUGHTFUL THINKERS.
This means you, Mr. Farmer. Time was when Farmer Corn-tassel was not supposed to think; but times have changed, and he is now considered among the brainiest thinkers in the world, and the sale of gold bricks has materially decreased. Nowadays he demands and must have the BEST. Here is a little thought that is worth your while. Have you ever seen a "Handy" Low Wheel Wagon? Ever hear of them? Here is a picture of how they look.

Come to our wareroom and see the original and let us show you some reasons why we think you ought to have one for your farm work. Our time is yours. We are here to serve you.

Backache, "The Blues"

Both Symptoms of Organic Derangement in Women—Thousands of Sufferers Find Relief.

How often do we hear women say: "It seems as though my back would break," or "Don't speak to me, I am all out of sorts?" These significant remarks prove that the system requires attention. Backache and "the blues" are direct symptoms of an inward trouble which will sooner or later declare itself. It may be caused by diseased kidneys or some uterine derangement. Nature requires assistance and at once, and Lydia E. Pinkham's Vegetable Compound instantly asserts its curative powers in all those peculiar ailments of women. It has been the standby of intelligent American women for twenty years, and the ablest specialists agree that it is the most universally successful remedy for woman's ills known to medicine.

The following letters from Mrs. Holmes and Mrs. Cotrely are among the many thousands which Mrs. Pinkham has received this year from those whom she has relieved. Surely such testimony is convincing. Mrs. J. G. Holmes, of Larimore, North Dakota, writes:

Dear Mrs. Pinkham:—
"I have suffered everything with backache and womb trouble—I let the trouble run on until my system was in such a condition that I was unable to be about, and then it was I commenced to use Lydia E. Pinkham's Vegetable Compound. If I had only known how much suffering I would have saved, I should have taken it months sooner—for a few weeks' treatment made me well and strong. My backaches and headaches are all gone and I suffer no pain at my menstrual periods, whereas before I took Lydia E. Pinkham's Vegetable Compound I suffered intense pain."

Mrs. Emma Cotrely, 109 East 12th Street, New York City, writes:

Ask Mrs. Pinkham's Advice—A Woman Best Understands a Woman's Ills.

FREE ADVICE TO WOMEN.

Remember, every woman is cordially invited to write to Mrs. Pinkham if there is anything about her symptoms she does not understand. Mrs. Pinkham's address is Lynn, Mass., her advice is free and cheerfully given to every ailing woman who asks for it. Her advice and medicine have restored to health more than one hundred thousand women.

First Rule of Health

Ask your doctor, "What is the first great rule of health?" Nine doctors out of ten will quickly reply, "Keep the bowels regular." While you are about it, ask him another question, "What do you think of Ayer's Pills for constipation?" We are willing to trust him. Are you?

Bessie Haley, Colored, Arrested For Being Drunk and Disorderly

Yesterday afternoon about 3 o'clock Officers
Tolle and Senteney arrested the notorious Bessie
Haley, colored, aged about 23 years, for being
drunk and disorderly.

This is not the first time that she has been in
the meshes of the law. On October 7th last, a
warrant was sworn out for her arrest on the
same charges, but she has kept low and in
hiding, consequently our worthy officers were
unable to serve the warrant.

Now, after having "been good" for a month
or more she broke out again, and began to beat
up her mother and curse and abuse everybody
in sight, until finally the police were called in
to arrest her. They found her in an outhouse
in Bank street, between Third and Fourth
streets, where she had hid herself when the
officers came in sight.

She will have a hearing before the Hon.
Judge Whitaker this afternoon, when probably
the two cases will come up.

It was rumored that she had killed a man
during this drunken spell, but it was without
foundation.

Mr. George Creighton is steadily improv-
ing and expects to be out in a couple of days.

Hon. W. C. Halbert of Vanceburg is men-
tioned as the nominee for Attorney-General on
the next Republican state ticket.

Journal, in today's dispatches, says: "Sen-
ator William H. Cox may be expected to announce
early in the new year for a place on the state
ticket. He would like to be the nominee for
Governor, but would accept the post of Lieu-
tenant-Governor, for which he thinks his years

fit him."

CONFIRMED PROOF.

Residents of Maysville Cannot Doubt
What Has Been Twice Proved.

In gratitude for complete relief from aches
and pains of bad backs—from distressing kid-
ney ills—thousands have publicly recommended
Doan's Kidney Pills. Residents of Maysville,
who so testified years ago, now say their cures
were permanent. This testimony doubly
proves the worth of Doan's Kidney Pills to
Maysville kidney sufferers.

A. W. McClanahan, of A. W. & B. P. Mc-
Clanahan, grocers, at 121 Second street, Mays-
ville, Ky., says:

"I can endorse Doan's Kidney Pills more heart-
ily today than I did five years ago when I told the
Maysville people that this medicine had cured
me of severe kidney trouble and backache that
had bothered me more or less for twenty years
and seemed to be growing worse and worse all
the time. I repeat that I can more confidently
recommend Doan's Kidney Pills today than I
did in that testimonial because my cure has
been permanent and I have had no kidney
trouble for nearly five years. As proof that I
am a firm believer in Doan's Kidney Pills I will
be only too pleased to reiterate the above to
anyone who may inquire. I got the remedy
at J. Jas. Wood & Son's Drugstore.
